WHAT IS THE EVENT ABOUT?

Starlet is a high-impact innovation event where students, developers, designers, and aspiring entrepreneurs collaborate to build tech-driven solutions.

Participants can join solo or as teams, choose from curated problem statements, form teams on-site, or bring their own ideas to prototype.

This flexible format maximizes creativity, collaboration, and real-world problem solving.

Previous Editions

Across four editions, Starlet has welcomed 400+ participants from 20+ colleges, including hearing-impaired innovators, building a strong community of creators.

All editions partnered with **Women in CyberSecurity** to support women and gender minorities in tech.
